EDITOR'S LETTER

We live in a world where very few things are certain any more. Are we leaving the EU? And if we are, when? Your guess is as good as mine, and I'm happy to admit I haven't got a scooby. Thank God there are some things we can cling on to, knowing exactly what we'll be getting... things like *Mayfair!* And what you'll be getting is loads of gorgeous babes, like Amy Green, Dannii Harwood, Saskia-Jade, Lucy Alexandra and Lauren Louise getting all fruity for us. Hurrah!

DANCE IN A MILLION

Dear Mayfair,

I'm one of those really lucky (or annoying!) people in life – I get paid to do my dream job. Ever since I can remember I've wanted to act and dance and now I do, on the West End stage in London, amongst other places. After years building my career in rep and bit parts as an actor and a professional dancer, I now get regular TV jobs, and I'm currently working in a West End show – although obviously I'm not going to say which one! So, basically, I'm paid to stay in great shape and do what I love and not many people can say that, so I know how lucky I am. Plus, being in showbiz has the added bonus of attracting gorgeous

young starlets, too!

I thought the anti-social hours would be a problem, what with most of my evenings being taken up with performances, but I've solved that by mixing business with pleasure. The female dancers I work with are stunning, toned and usually extremely supple and bendy, so why would I need to look any further? Also, I tend to get my pick of them – not many of the other lads have the same kind of interest in girls that I do, if you get what I mean!

I'm not a complete tart, but when I get a chance, I'll go for it – as most red-blooded men would. A couple of months ago, the whole cast from our production went out for a post-show drink to celebrate someone's birthday. We were hyped up after the performance and everyone was on great form. Although I get on with everyone in the cast, I found myself flirting with these two actresses, Maddie and Anna. We'd always got on, from the first rehearsal, but this night there was a definite spark between the three of us.

They share a flat in town and, as the

evening wore on, they offered to let me crash at their place to save the long journey home, as theirs is much more central than mine. I thanked them, taking them up on the offer and after last orders, we shared a cab back to their place. At first we just carried on drinking, although we'd already had a lot, and the flirting got less playful, more dirty. I was sat on the couch next to Maddie, who suddenly grabbed me and started to snog my face off while her mate looked on. Anna wasn't going to be left out, though – I felt her undo my trousers and pull my cock out of my pants. She wanked it for a couple of strokes, then yanked her G-string to one side and stuck me inside her. I couldn't believe she was fucking me straight off like this!

Anna kept leaning forward, nuzzling in for a snog, with me and with Maddie too. "Just carry on

JAY WHIZZ!

Dear Mayfair,

One of the few welcome developments in recent times has been the return of the delectable Lacey Jay to your august organ (*Hey, you leave my organ out of this! – Ed.*). I've still got the issue in which she made her debut – *Mayfair* 48.04 – in a very fetching blue lingerie set, and I remember thinking at the time that there was something special about her. But then I think your only featured her charms twice more (unless I missed an issue, which I don't think I did) and I always wondered what happened. Anyway, imagine my delight when I saw her on the cover of your latest issue. Admittedly I had to so a double take, as she's now sporting darker locks, but there's no mistaking the rest of her! She's matured wonderfully, and looks even lovelier now than she did five or so years ago, so please don't inflict another long wait on us before we get to see her again!

Colin, Birmingham.

Well remembered, Colin! Yep, Lacey's certainly welcome back as far as we're concerned, so I'll do my best to make sure your next wait isn't so long! – Ed.

A NOD'S AS GOOD AS A WINK

Dear *Mayfair*,

It took me a while to spot it, I admit, but I just had to drop you a line in praise of the naughty picture of Carolina, holding her boobs out for us to appreciate while giving the camera a cheeky wink at the same time! I love it when we get to see a bit of the girls' personalities in the magazine, and this cheeky wink, I feel, perfectly encapsulates Carolina's attitude to her work and to her admirers! Of course things get a bit more serious as the spread goes on and she's treating us to an eyeful of her inviting shaven snatch, although I can't help wondering if she wasn't tempted to try and pat her head while rubbing her tummy while posing for the picture on page 29. I bet she was!

Dave, Market Harborough.

Well Dave, we can't say that she did, although she may well have thought about it for all we know. We certainly weren't thinking about it as we were watching her peel off, that's for sure... Ed.

kissing each other," I told them. I toyed with the idea of getting Maddie to sit on my face, but instead I just started to finger her, sinking three of them in deep, so I could keep watching the girlie fun.

The lezzie stuff was for my benefit, really the girls were after cock, which they didn't mind sharing. In fact they seemed to get off on it so much I started to suspect they made a habit of this! If so, I wonder how any bloke who doesn't need to be in peak fitness for his job manages to handle the pair of them.

It sounds really stupid, but I didn't notice the mirror until we'd hit our stride – a big full-length thing mounted on the wall opposite the couch. I must have clocked it when I came in, but there are lots of mirrors around in dressing rooms and studios, so maybe I didn't pay it much attention. Once it caught my

eye, though, I suggested that we all shift position to watch ourselves while we fucked.

I got the girls to strip off, too – as much to give me and my cock a breather as anything else! Anna picked up where she'd left off, straddling my shaft, then she started spinning. Being so lithe and agile, she was able to stretch a leg right up, swinging it over my head as she swiveled around with my knob still in her pussy. Then she just kept on turning, till she was sat on my lap, facing the same way as me. The sensations I felt as she shifted round were fucking incredible. The wonders of fucking a dancer!

I was shagging her a bit more urgently now, Maddie getting matching thrusts from my tongue inside her mouth. Anna kept on begging me to fuck in deeper, splaying her thighs like she was doing the splits over me, yet still asking for it. In the end, Maddie grabbed Anna's pussy lips and pulled them open, so I could push in right up to the hilt.

I've never screwed a girl so deep, my bell-end thumping hard up against the top of her pussy. But what really finished me off was Anna reaching down and grabbing my balls, then rubbing them against her wet, splayed slit. One squeeze of her hand and I was jettisoning my entire load up her.

Over the next few hours the two of them kept draining my balls dry – another highlight was our 'double doggie-fuck'. I had them on all fours, side by side, as close as possible, with their arses stuck in the air. Then I switched between their juice-dribbling pussies as fairly as I could. I'd bang in for a few strokes, pull out and then move over to the other juicy hole for the next few. Well, beats and rhythms are second nature to a dancer!

When my cock was ready to blow I happened to be inside Anna, but Maddie'd done just as much to get me in this state. So I pulled out and wanked my soaking shaft, spurted all over their backs and firm-fleshed arses.

We had a matinee show to do the next day, which was, ahem, fun! How I managed to get through it without any fuck-ups I don't know, I was that shattered. Then, at one point, I noticed Anna standing in the wings, rubbing her snatch like it was still sore from the pounding I'd given it. But, hey, we're professionals – the show must go on and go on it did! Oh, and in case you're wondering, both Anna and Maddie came back for an encore at a later date! I've fucked them both separately, but they're so much more fun when they're together!

Rupert, Arncliffe Grove.

LILY IN THE PINK

Dear *Mayfair*,

I'd been dying to have sex with my new girlfriend for weeks before it actually happened last week, but it was worth the wait. I was on the rebound from a failed long-term relationship when we met, but when I first set eyes on Lily my jaw nearly hit the floor: She was simply stunning.

We got on famously, but after we'd been out on about five dates I was beginning to wonder if she was ever going to let me fuck her. She was a bit prim, to be honest, and I must admit I usually find primness off-putting, but Lily was so perfect in every other way that I was determined to bide my time. I knew it would happen sooner or later, and I was desperate to see her in the nude; even with her clothes on she was a stunner, with firm, medium-sized breasts, a peachy bum and long auburn hair.

We'd been out to a restaurant one evening and had gone back to her flat for coffee when opportunity finally knocked. It was the first time I'd been back to hers, and there was something in her demeanour that evening that told me that that night was going to be the first time for other things too.

We were sitting side by side on the sofa, relaxing and making small talk, but I'd got a head full of sex and Lily sensed it. She played along with the conversation as best she could, but she knew my mind was in her knickers already, and for the first time in our relationship I could see that she was willing to go the full distance.

First of all, apologies if this blurb seems a bit breathless – everyone in the office is a bit puffed after chasing the Ed out into the carpark and giving him a bundle by way of punishment for him completely failing to feature Amy Green in *Mayfair* for the whole of Volume 53! I mean, how on earth did he let that happen? No wonder 2018 didn't turn out quite right. Still, here we are in 2019 and we're doing our best to put things right! Amy, though, is far too classy an act to complain about such terrible treatment!

"To be honest I hadn't realised myself. What happened to 2018? It seemed to be over before it had started!"

We bet that happens to you a lot!

M

I got up to go or a slash and fetch some more wine from the kitchen, and when I got back, Lily was laying on her tummy, looking up at me with big fuck me eyes, her skirt riding a little higher than was decent up towards her bum.

Placing the wine down on the coffee table, I knelt beside her and kissed her enthusiastically on the lips. She responded keenly, her tongue slowly but firmly pushing past my lips and into my mouth.

I got the horn in an instant, and I eased my hand up her skirt, making straight for her arse. Lily groaned as I fumbled clumsily, urgently towards her pussy, slipping my fingers under her gusset and pushing two of them between her already well-lubricated lips.

"Oh, Mark, I think I'm going to come..." she gasped. I couldn't believe she was so close to the edge so soon, but she was soaking and her breathing was hard and fast.

I yanked her knickers down furiously with short, determined tugs, and I heard the material start to tear. Once they were clear I threw her skirt up over her back to reveal the peachiest arse I'd ever seen in all my life. My cock was throbbing, and despite all the tenderness I really just wanted to mount her and slam it up her there and then.

So I went down on her instead. I flipped her over onto her back, lifted her legs over my shoulders, and buried my face in her warm snizz. I cupped her bum in my hands and lifted it up towards me as I ate her out, my tongue darting ravenously in and out of her lovely little twat. I wanted her to come on my face.

It didn't take long. I divided my time between her hole and her clit, and it was barely a minute before she was screaming all manner of nonsense at me, her thighs squeezing me in a headlock as I licked out her juices. When her orgasm finally took hold her love juice was running down my chin and onto the carpet, she came so much. Her pussy just went into overdrive, virtually squirting as one almighty orgasm ripped through her body.

By the time she'd finished coming, my cock was on the move, straining painfully at my pants, urgently needing to be discharged. Lily was a little out of breath

**I WATCHED IN AWED

after her tongue-lashing, but she still had something in reserve. She made a grab for my packet, and fumbled at my flies, her deft fingers anxious to wrap themselves around my rampantly stonking hard-on.

"Fuck me," she gasped as she freed my member. Pre-come glistened on my helmet as she began to stroke my cock,

and I hastily freed her tits from her top.

I usually try to do something imaginative when I fuck a girl for the first time, but all I could think of was thrusting my cock into Lily and coming deep inside her. Sensing that I was floundering, she took control.

"Lie down," she instructed. I obeyed.

I watched in awed delight as Lily straddled me, aligning her dripping slit carefully with my oozing cock. I could see her soaking fanny-lips protruding through pubes, and she parted them slightly with her fingers before impaling herself on my prick.

It fairly took my breath away as I felt the tip of my schlong connect with her cervix, and her sopping fanny walls gripped my meat as she began to slide up and down on it, working up to a serious fuck-frenzy.

I was determined to last as long as I could, but I knew it wouldn't be long. Lily fucked me with amazing vigour, squealing all the while.

"Jesus, I'm coming again!" she screamed, just as I felt the jizz rising in my dick.

She leaned back, and sank down on my cock with a determined thrust as she orgasmed a second time, her cunt ejaculating profusely over my heavily laden bollocks.

I couldn't hold on to my load a moment longer, and I spewed my goo. Lily's control was the stuff of dreams, milking my cock for every drop of semen in my sack, and

THE BROOKE OF LOVE...

Dear Mayfair,

I would like to express my pleasure (admittedly a little late) at issue 53.12, and specifically the appearance of two beautiful, fuller-bodied ladies; I write of regular model Brooke Little and the familiar if less regular Lottie. I was delighted that you chose to broaden the appeal of the magazine by displaying these slightly curvier, but still incredibly sexy, models alongside the bevy of slightly slimmies (my favourite of those in this particular issue was the delectable Babe Channel sweetie Lily Rose, who was making her debut as a *Mayfair* model, and whom I hope we see plenty more of in the future).

Brooke Little, meanwhile, has been thrilling *Mayfair* readers for over five years now, since she first burst onto the scene as a stick thin model, stripping enthusiastically in a hot kitchen shoot back in 48.10. Now, five mature years on with darkened hair and a more curvy look with larger natural boobs and a beautifully proportioned bum she eagerly gives her fans an unrestricted view of all her bod!

Please continue to feature Brooke for many years to come, as many of us find the display of open-legged buxom beauties like Brooke and Lottie every bit as arousing as their pretty fellow models of a slimmer build!

Mick, Ireland.

I filled her fanny with spunk till it literally overflowed!

I have to say that was the best fuck I've ever had in my life, and I'm hoping this relationship is one that's going to last! So far, so great!

Mark, Portsmouth.

Fear not, eagle-eyed readers – Saskia-Jade hasn't caught a nasty case of 'The Shrinks'! For some reason we had the half-pint hottie down as 5'6" last time, when it's pretty obvious to anyone who's been in the same room as her that she's actually a mere slip of a thing at a round 5'. Still, Eagle-eyed readers will doubtless also be quick to notice that the elfin cutie is also, well, showing off a bit more of her gorgeous bod this issue!

"Yeah, I thought it'd be my way of saying thank you to all the readers of *Mayfair*! I hope they're appreciate the gesture!"

We're sure they will – and we're also sure it'll prevent any of them getting 'The Shrinks', no matter how cold the weather might get!

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

APPLE iPad PRO

Computers, eh? You think you've got a handle on them and then, boosh, everything gets blown out of the water and you have to start all over again. Anyone remember desktops? You'd get a screen and then, well, something like a little suitcase you'd stick under the desk (so a bit of a misleading title, there). Well they got swept away by the increasing miniaturisation of technology which meant you could pack just as much punch into a laptop which could be folded away and hidden when you didn't want to use it. And then, because laptops were still considered a bit bulky, along came the tablet, which really was just for larking about on – watching or reading stuff, or playing rather noddy little games on apps. Well now that miniaturisation thing's come on in another great leap, which means Apple's new iPad pro tablet is basically more than good enough to see off laptops altogether. Yes, Apple's stock value might have taken a tumble in recent months thanks to China's realisation that they really don't need a new iPhone every year, but with kit like this, they're still the driving force in top spec gadgetry. The basic version comes with a nifty 64GB of internal memory, which should be more than enough to store whatever you need to keep you entertained when you're out and about, but if you want more, you can get versions with 256GB, 512GB or even a mind-boggling 1TB capacity. On the downside, of course, being an Apple product means there's no means of increasing the memory with a micro-SD, but then you're not likely to need to with those figures, are you? And on top of the memory, it boasts no fewer than 8 core technology, so no matter what you want it to do, from streaming HD movies to online gaming, it'll have plenty of capacity to perform seamlessly. With its stunning liquid retina display and anti-reflective coating, watching stuff on it is a revelation. With two screen sizes to choose from – 11" and 12.9" – you certainly get plenty of screen for your money, too. For the true laptop experience, mind, you'll have to fork out for an add-on keyboard, which is a bit of a pity...

GTECH eBIKE

From the way things are looking, the age of the motor car might be coming to an end. It was fun while it lasted, from the early days of men trotting along in front waving flags, to Chuck Berry having No Particular Place To Go in his automobile and finally to today's autogeddon that sees us driving to the gym so we can go on a running or cycling machine. So it's got to be the perfect time to ditch the car part of the equation and get back on your bike, right? Right, except that's a bit more hard work than sitting in your motor – especially when it comes to the pesky uphill bits. Thankfully some boffins out there have come up with electrically assisted cycling, which means you've really got no excuse to go for a little pedal, no matter how feeble and atrophied your poor legs are after all those years doing nothing more with them than pushing the clutch and gas pedals up and down. Probably our favourite electronic bike of the moment is this one from GTech, who've clearly been busy branching out from their core business of electric bissell things. It looks much more like a normal bike than most electric varieties, which means that it's perfectly fine to ride without any electric assistance whatsoever, if you're feeling up to it. Alternatively you can pick one of two cruising speeds and then pedal as much or as little as you fancy while the lithium ion battery-powered 36v motor does the rest of the work. With a range of up to 30 miles between 3 hour charges, a small, local part of the world will be your oyster, and you'll even end up getting fitter in the process!

Ahem, anyway, in light of that we thought it only fair to get her back in the magazine again, and to mark the occasion she's only gone and fished out her favourite lingerie set for us.

It's not every day of the year we get to feature a girl well into her 30s, but when Lucy Alexandra got in touch a while back we couldn't think of a single reason to say no! The Yorkshire-born hottie certainly looks to be in her prime as far as we can tell (after a very thorough examination), and we thought our readers ought to be given a chance to see for themselves! So Lucy, what's the naughtiest thing you've ever done, do you reckon?

"Oh, I don't know where to start, although my family reckon it's moving to the wrong side of the Pennines!"

Now that is pretty naughty!

A blonde girl is overweight, so her doctor puts her on a diet.

"I want you to eat regularly for two days, then skip a day, and repeat this procedure for two weeks," he orders. "You should lose half a stone doing this."

When the blonde returned, she shocked

"No," she replied, "from all that bloody skipping."

One evening a man was at home watching the television and eating peanuts. He'd toss the peanuts in the air, then catch them in his mouth.

In the middle of catching one, his wife asked a question, and as he turned to answer her, a peanut fell in his ear. He tried and tried to dig it out but only succeeded in pushing it in deeper. He asked his wife for assistance, and after hours of trying unsuccessfully they became worried and decided they'd better go to the hospital.

Just as they were about to go out the door, their daughter came home with her latest date. After being informed of the problem, their daughter's date said he could easily get the peanut out. The young man told the father to sit down, then

shoved two fingers up the father's nose and told him to blow hard. When the father blew, sure enough the peanut flew out. The mother and daughter jumped and yelled for joy.

The young man insisted that it was nothing and the daughter took the young man out to the kitchen for some supper. Once he was gone the mother turned

to the father and said, "That's wonderful. Isn't he smart? What do you think he's going to be when he grows older?"

The father replied, "From the smell of his fingers, I'd say our son in-law!"

There were three men talking in the pub. Two of them were talking about the amount of control they have over their wives, while the third man remained quiet.

After a while one of the first two turns to the third and said, "Well, what about you, what control do you have over your wife?"

The third bloke says, "Well, just the other night my wife came to me on her hands and knees."

The first two blokes were amazed and asked, "What happened then?"

"She said, 'GET OUT FROM UNDER THE BED AND FIGHT LIKE A MAN!'"

A man is dating three women and wants to decide which to marry. He decides to give them a test. He gives each woman a present of £5,000 and watches to see what she does with the money.

The first does a total make-over. She gets her hair done, new make-up and buys several new outfits, and dresses up very nicely for the man. She tells him that she has done this to be more attractive for him because she loves him so much. The man was impressed.

The second goes shopping to buy the man gifts. She gets him a new set of golf clubs, some new gizmos for his computer, and some expensive clothes. As she presents these gifts, she tells him that she has spent all the money on him because she loves him so much. Again, the man is impressed.

The third invests the money in the stock market. She earns several times the £5000. She gives him back his £5000 and reinvests the remainder in a joint account. She tells him that she wants to save for their future because she loves him so much. Obviously, the man was impressed.

The man thought about what each woman had done with the money, and then he married the one with the biggest tits.

There was once a farmer with a flock of sheep. He had a very gifted sheepdog. This dog was very special as, not only could it look after the sheep, but it could talk as well!

One day the farmer said, "Shep, please go and count up the sheep in the lower field. I bought them at the market yesterday and I want to make sure that none are missing."

Shep ran off eagerly and soon returned with his tail wagging and said, "I've counted the sheep and there are 50 there."

"50?" said the farmer. "That's strange, I could have sworn I only bought 47."

"That's OK, I've rounded them up for you as well."

**"Last blood skiing holiday I'm going on!
What was Bangkok like?"**

the doctor by having lost the best part of five stone.

"Why, that's amazing!" the doctor said, "Did you follow my instructions?"

The blonde nodded, "I'll tell you what, though, I thought I was going to drop dead on those third days."

"From hunger, you mean?" asked the doctor.

HEAVENS!

OH FUDGE!

HOW AM I GOING TO GET BACK TO THE VAN WITHOUT BEING SEEN?!

SO...

I DO SO ENJOY AFTERNOON TEA WITH THE LADIES' MORAL VIGILANCE COMMITTEE.

I SAY, VICAR... WHAT'S THAT GIRL DOING WITH THAT WOODEN BARREL?

OH... LADIES...

THERE'S A PERFECTLY SIMPLE EXPLANATION FOR THIS...

YOU SEE THE VICAR HIRED ME TO TAKE CARE OF HIS WOOD...

Well what's all this? Surely Dannii Harwood isn't giving up the modeling to concentrate on a secretarial career, is she?

"Ha – I don't think I'm cut out to be a secretary, somehow. Apart from anything else I'm all fingers and thumbs when it comes to typing, and my spelling's not all that great either. And I'm not very good in the mornings, either, so getting into the office any time before lunch would be a bit of a challenge!"

Anything else we ought to know?

"Umm, apparently I make really horribly cups of tea – their either too milky, too watery or too cold. All in all, I'd probably be the worst secretary ever!"

Hmm, well thanks for the heads-up. Now when could you start...?

Scene from MAYFAIR

Well when there are no top notch new releases hitting the small screen month it gives us a chance to cast our eyes over some classics that have just been dusted off - and here they are!

WORLD ON A WIRE

When something drops onto your reviews desk that has a 100% critics approval rating on Rotten Tomatoes you can't help thinking it might be worth a squiz, even if you'd never heard of it before - and that's exactly what happened with this one, which is the first of two Second Sight releases this month that deserve a viewing. This one started out originally as a two-part miniseries on German TV that can only be described as way, way ahead of its time, given that it's mind-bending examination into the nature of reality and computer simulations only really hit the wider public consciousness 26 years later with the arrival of *The Matrix*, and its echo can still be felt in bang up-to-date programmes like *Westworld*. The whole thing centres around Simulacron 1, a project that's created a virtual reality in which 9,000 computer generated people live - all unaware that they're not 'real'. It's stylish, thrilling and philosophically intriguing, which is more than good enough, don't you think?

WHEN A STRANGER CALLS

Who'd be a babysitter, eh? If they're not getting ravaged by horny dads in hundreds of bongo flicks each year, then there are still plenty of other perils in store - at least for on-screen babysitters, that is. This 1979 horror from Director Fred Walton turned out to be hugely influential on a generation of slashers to follow, and now you can see it on Blu-ray or download courtesy of Second Sight. Carol Kane (*The Princess Bride*, *Annie Hall*) plays poor Jill Johnson, the babysitter in question here who starts receiving threatening phone calls from a loony. When police trace the calls for her, it turns out they coming from the house she's in and, well, you can just picture the shocks that follow. A classic of its kind, this release comes packed with bonus features, from a 40-page booklet, to a soundtrack CD and even the 1993 sequel *When A Stranger Calls Back*.

HUSH...HUSH SWEET CHARLOTTE

Although she'd easily merit her place on Hollywood Boulevard on the strength of her earlier film appearances, Bette Davis was one of those rare female stars whose output grew more remarkable the older she got. Two of her greatest films were *All About Eve* and *Whatever Happened To Baby Jane*, both of which saw her playing characters past their prime, and this 1964 offering from Director Robert Aldrich is another remarkable film in a similar vein. Following on from *Baby Jane*, Davis plays a Southern Belle who's led a reclusive life since the death of her lover many years earlier, but plans to demolish her mansion lead to a gothic unravelling of her psyche. With Olivia de Havilland (still alive, btw!) and Joseph Cotton (*The Third Man*) in support, this blu-ray from Eureka boasts plenty of old school Hollywood pedigree and bagged 7 Oscar nominations.

□ □ □ □ □ □ □ □

We were hoping to do this shoot with delicious newbie Maria out in the garden, but the neighbours were in and there was far too much twitching of net curtains for us to proceed. Not that Maria was concerned, but Darren the snapper was a bit antsy in case they took offence and called the law on us!

"I'm sure they wouldn't have been offended!" laughs Maria herself. "I've been spied on many a time, and I've never had any complaints yet. On holiday last year I ended up with quite an appreciative audience when I was giving my boyfriend what I thought was a sneaky blowie in a quiet beauty spot!"

We don't suppose he was complaining much either...

Trying to think of something to watch with that special person on Valentine's Day? Well, if you're feeling brave you could give one of these a try. Best of British to you!

Wicked Pictures

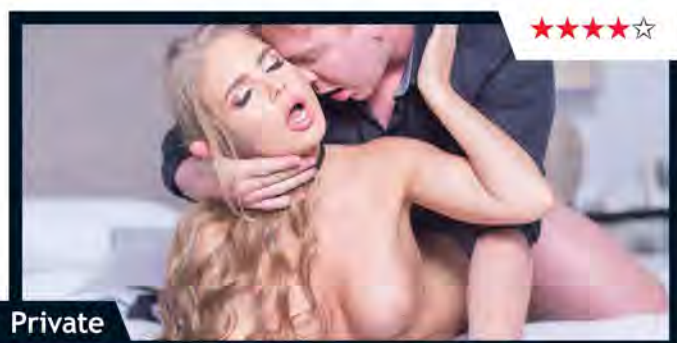

HE LOVES ME IN STOCKINGS AND HEELS 2

CAST: AJ Applegate, Karma Rx, Kenna James, Kenzie Taylor, Olivia Austin.

To be perfectly honest, the girls on show in this flick are so tasty I'd love them wrapped in yesterday's chip paper, but given that they are, in fact, all dolled up in a selection of rather saucy stocking-based outfits, then they're nigh on perfect. Oddly named Karma Rx turns out not to be some sort of digital SLR camera but rather a beautifully-boobed babe who, while she sports some rather scary looking tattoos on her arms, also looks might fine jigging about next to a baby grand piano. After five minutes or so of that she joins a lucky woodsman on the bed, and they're soon giving each other a nice 69ing. Then it's time for some doggystyle that gets her tits bouncing a treat. In the end the lucky lad spuffs all over her stockings and toes, which she gamely licks clean. Olivia's another nicely-

norked splosher with an eminently snackable snizz, and it gets the works before some energetic missionary really showcases her talents. The shagging itself only lasts 8 minutes or so, but I can't entirely blame her fella for that. The remaining three scenes are all equally strokeworthy as well, being on the couply side but just about frenzied enough to keep the raincoater brigade happy as well.

MY PERSONAL PLAYTHING

CAST: Alessandra Jane, Ella Hughes, Gina Gerson, Jolee Love, Lyen Parker.

Private have a few themes they like to return to from time to time, and one of them is swanky porn, with lots of nookie in penthouse apartments intercut with sweeping cityscapes or glamorous looking spots like Canary Wharf or Barcelona... and this is one of them. Things kick off with Jolee swanking about in London, eating meals and having fun at St Paul's before her fella walks in to find her sucking off a purple dildo. Well, you can just imagine how things turn out from there – she's soon slurping on his pole before hopping on for a drilling fore and aft. The pop, when it comes, is a corker. Nicely shot with good lighting, this is a solid opener that sets us up for plenty more frantic swanking. Covergirl Alessandra's next, and once she's tired of the view from her Park Lane balcony she puts in a fine turn in the bedroom, putting her shaven smoo to excellent use as she drains her stud's nuts in style. The locations don't vary much after that, but the knobbing's top notch, with a little interracial thrown in for good measure along the way.

Porndoe Premium

#GIRLFRIENDS 2

CAST: Milena Devi, Siciliana, Nekane, Tracy Lindsay, Shelly Wells, Julia De Lucia, Ani Black Fox, Angel Black.

What's the protocol here, I wonder – do you actually say the 'Hashtag' when you're talking about this film? Someone's gone to the trouble of putting it there, so just calling the film 'Girlfriends 2' sees like a bit of a gyp to me. Then again, the hashtag seems to vanish once you start playing the flick, so sod it!

This gets off to a very funny start, with Siciliana giving her boobs their morning check-up, whilst her voiceover tells us what a drag

– but how important! – it is. Anyway, she's soon joined by Nekane, who sports a fantastic pair of funbags, and they natter in Spanish as they do their examinations.

Well, one thing leads to another and they're soon examining each other's pussies – with their tongues. Good news – they both get the all clear! Shelly, meanwhile, has boyfriend troubles, and turns to Tracy for advice. She may not be much of an agony aunt, but she's pretty good when it comes to ecstasy, dishing it out with tongue and finger till Shelly's troubles are all behind her! There are three more scenes, all nicely shot with pretty girls, but for a lesbo flick this is still a bit of an oddity. Available from your local sex shop.

LAUREN

Age: 22 Vital Stats: 34D-28-34 5'7"

Photographer: BBM

OK, so we'd like to apologise to Lauren and anyone else from the Derbyshire neck of the woods for the atrocious Bakewell tarts gag that somehow made it into the blurb last time we featured her back in the summer of 2018. There's really no way that one should have got past quality control, and we can only promise to try and do better in future!

"Well I should hope so too!" she smiles, "although I'm a big fan of Bakewell tarts, so I don't really mind!"

Glad to hear it. Personally there are much tastier treats we'd rather tuck into!

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I've been at the same firm for six years now and recently they've had a bit of a shake-up, trying to save money here and there. One of the bosses' great ideas was desk-sharing.

Only half the workforce was required in the office at any one time, allowing the other half to work from home. So, when I was offered the opportunity to work shifts from home a few days a week, I jumped at it.

Okay, so I miss out on a bit of office gossip but I love how I can get up five minutes before my working day begins and literally just walk - well, sometimes drag myself - over to my desk.

Recently, my bloke, Wes, slept over at mine and, when it was time for me to get up for work, I simply left him to have a lie-in in bed. But, about an hour later, he came strutting into the room I use as an office, stark bollock naked and with a massive hard-on. It was a bloody good thing I didn't have my computer webcam switched on!

"I'm trying to work," I said, glancing up and then back at my monitor.

"I know," he told me, and started wanking right next to me.

Sometimes I'm too professional for my own good, and I carried on typing. But as Wes got more and more worked up, I couldn't help but look over at him, glancing at his rigid cock. It looked so tempting - the head of it was all red and swollen, like a giant ripe cherry, and the tip of it was starting to drip pre-come.

It almost goes without saying that in the

end, he won. I held out a finger, dabbing it in the sticky wetness of his clear fluid before sucking it clean. Then I turned my head so he could put his salty cock straight in my mouth. Even then I told myself I was just doing him a little favour, giving him a quick suck so he could wank himself off easier. But his hand went round the back of my hair, stroking and pushing slightly, until there was no way I was going to let him slip out. I was so absorbed in the taste of him, and how hot and swollen his helmet was against my tongue and the roof of my mouth.

Suddenly the phone rang. I jumped a bit, but Wes told me to ignore it. "Keep on sucking my cock instead," he told me.

Well, if he was going to put it like that...! I got this real sense of power - I

could choose to do whatever the hell I liked, even if it meant thinking with my pussy rather than my conscience!

A few minutes later the phone rang again, and this time he pulled out and dared me to answer it. I sucked him in deep one last time, wetting the whole length of his shaft with my saliva. Then I watched his hand slide up and down it in a blur, while I answered the phone call.

I tried to play it straight, but I was too distracted. The best thing I could do was

grab Wes' cock and wank it a bit slower! "Sorry, I was in the loo," I told my manager, blagging it as best as I could. I kept my eyes on the floor - if I'd looked Wes in the eye now, I'd have lost it completely!

The other advantage to working from home is I can usually wear whatever I like - I often just slob around in a bathrobe. Now Wes reached down and pulled my tits out of it, then wrote "Talk to him in the nude" on my notepad by the phone. I knew that it would be more awkward to argue, so I let the robe fall off and sat there, my pert tits stuck out proud. Wes gave them a rub, then walked his fingers down over my stomach.

Luckily, I managed to end the call before he reached my pussy. I wanted to kill him - but not before he'd made me come! "If I shag you, will you fuck off and let me do some work?" I asked, in a mock-annoyed tone. He actually looked a bit hurt, but not so pissed off that it stopped him, or even slowed him down!

I braced my hands on the desk, Wes finger-fucking me a little bit more - he did know exactly what he was doing and it felt amazing! However, it was probably only about a minute before I felt his prick nuzzle against my snatch hole and he pushed himself inside my moist tunnel. I groaned as entered me slowly and entirely, before he

AGAINST MY SNATCH AND HE
PUSHED HIMSELF INSIDE..."**

started roughly shagging in and out. I threw my head back and moaned as he banged against my G-spot, the pleasure washing through me.

The phone rang yet again, and he told me to answer it - or he'd do it for me. This was so off-the-scale crazy, I actually managed to stay cooler than I'd done before, talking normally to my manager. To be fair, Wes didn't slam into me like before, he just stayed deep inside me and moved around, obviously enjoying the knowledge that he could easily make me lose it, should he want to. And I quite liked him having that power too!

After hanging up from my manager I left the phone off the hook – I was fed up with interruptions. Now Wes could fuck me as hard and for as long as he liked. And he really gave it to me, his stamina surprising me. Eventually I started climaxing and, as I wailed like a banshee, I felt his body tighten and spray his creamy jizz inside me. For as long as he could, he stayed inside me, friggng my clit till I came again. Then, his mission accomplished, he virtually staggered back off to the bedroom to go to sleep. Well, it's alright for some!

I'll be honest – that fucking did set me up for the day. I got loads more work done than usual, and the thought of knocking off for an hour of cock at lunchtime got me motivated too! Although I thought the novelty of having sex throughout the day would wear off pretty quickly, when my 'shift' finished at 5pm, Wes was waiting for me in the bedroom, hard and ready for even more!

Most of us are single and we had spent the night drinking, dancing and eyeing up the local talent around town and as usual a few of us pulled and those who didn't, including myself, wandered off about 2am. I grabbed a taxi back with my best mate Donna, and not for the first time I ended back at hers for a good old chinwag and a nightcap.

Before long, and as usual, the subject turned to sex and we sat in her kitchen discussing all sorts of experiences and fantasies. All this talk was getting me very wet and horny, not to mention disappointed I hadn't scored earlier and I couldn't wait to get home and play with my favourite toy. A huge 12-inch vibrator I kept tucked away under my bed.

Donna was talking about one of her favourite fantasies, being licked out by another woman. I have always loved a good old-fashioned cock inside me and it was never something I had even considered, but after a night's drinking, all this talk was making me

nibble my ear and neck and I immediately let out a moan of desire. I was so horny I would have let her do anything she wanted to me there and then.

"Come with me," she whispered and I followed her upstairs to her bedroom as if in a trance.

Once inside her room, she ran her

fingers through my hair and kissed me gently on the lips, her tongue flicking out against mine. I opened my mouth slightly and her tongue darted in as she kissed me more passionately. Her hands moved down my body, caressing my breasts through my shirt. My nipples immediately sprang erect and rubbed against my bra, my pussy was dripping with love juice and I longed for her to touch me. I wasn't

disappointed. She pushed me gently back onto the bed and knelt between my legs. She kissed me slowly as she worked her way up my thighs, pushing my skirt higher, her fingers slipped through the waistband of my little, white panties and she pulled them down, past my knees and slipped them off over my shoes. She licked the insides of my thighs until she

was so close to my love hole I could feel her hot breath on my golden bush. Then her tongue flicked out and slid over my lips. I gasped with a mixture of surprise and delight.

She teased me briefly, perhaps gauging my reaction before running her thin, pointed tongue along the whole length of my sopping snatch. The end of her tongue found my clit and she sucked on it hungrily until I cried out with pleasure. She was so gentle with me, but that just made me come all the more quickly. I felt an orgasm rise in my belly and then spread warmly over me. I shuddered with lust as it rattled through my body. I could feel my pussy getting juicier and juicier and Donna simply lapped it all up and gulped it greedily down. She stopped and looked at me. "Don't move, I have something for you," she whispered, my own cunt cream glistening on her lips

"I THREW MY HEAD BACK AND MOANED AS HE BANGED AGAINST MY G-SPOT..."

Let me start by telling you a little about myself. My name is Jess. I am 24 years old, five feet nine inches tall with long blonde hair down to my shoulders. I boast a nice, pert pair of tits and a slim, healthy figure. Last weekend after a night out on the piss I did something I never dreamt I'd ever do, and it still has me dripping wet when I think about it. It had been a fairly ordinary Saturday night out with the girls.

increasingly aroused. Perhaps sensing my growing excitement Donna got up from her chair and stood right behind me, gently massaging my shoulders, whilst continuing to tell me her wildest dream. I could feel her hot breath on the back of my neck, and it was sending cold shivers of excitement down my spine. I suddenly sensed that Donna had stopped talking and before I could turn around I felt her lips on my ear. She started to kiss and

sensation was delicious. She licked all around my arsehole until I was quivering with desire. I had often told Donna about my fantasy of being fucked up the arse, and I knew what was coming, but she was determined to make me wait until I could stand it no longer.

A mixture of desire and alcohol helped me relax as her tongue lubricated and tickled my puckered hole. Then she withdrew the dildo from my pussy and pressed it slowly against my bum. As with everything she had done, she was gentle but purposeful and I soon felt the head of the vibrator ease past my sphincter, soon followed by what felt like about 18-

inches of greasy latex. I shrieked and panted with sheer,

filthy desire as she shafted my bum hole

with the plastic cock. My arse muscles closed around the intruder and I could feel every ridge, bump and vein along its shaft. She reached between my legs and ran a couple of fingers along my pussy lips until she found my button and she rubbed

it gently in time with the thrusting of the cock in my arse.

I could feel an enormous orgasm rise inside me. I bucked against the vibrator in my arse driving it even deeper inside me. I started to shudder and shake as my orgasm got nearer and nearer. I was moaning and crying out louder and louder. Then it hit me, like a double decker bus. The largest, most intense orgasm I had ever experienced. Donna pushed the cock into me whilst furiously rubbing my clit. I could feel my love juices practically pouring from my pussy and dripping onto the bed. My whole body glistened with sweat and I collapsed, shaking, in a huge, exhausted heap.

As I rolled over onto my back to catch my breath, Donna knelt over me and kissed me on the lips, her tongue probing my mouth, coating me with my own juices. It was several more hours before I actually managed to get some sleep but perhaps I will write and tell you all about that some other time!

and chin. She walked over to her knicker draw and pulled out a slim but incredibly long vibrator. She smiled at me wickedly as she came back over to the bed, the giant cock in her left hand.

"And now for something I know you fantasise about!" She purred. When she got to the bed, she rolled me onto my front and manoeuvred me onto all fours. The huge dong nuzzled against my pussy and she slowly eased it into me until I gasped at how deep it went. She began to rhythmically pump it in and out of my hole, forcing it deeper and deeper into me. As she did this she started to kiss the tops of my legs and my arse cheeks. Suddenly I felt the tip of her tongue probe my anus. The

MAYFAIR
Classic

The Peak District has many beauty spots but few are as popular as Stacy Winfield. Twenty-three-year-old Stacy is making her *Mayfair* debut, and seems pretty enthusiastic about the whole affair: "I was really pleased," said the 36-24-36 doll from Derbyshire. "*Mayfair* has such a good reputation all over the world. I always thought I was a bit naughty for it!" And what on earth made her think that? "I've never been the elegant sophisticated type," she replies with a giggle. "My idea of the perfect evening is a good laugh and a good bloke!"

Classic

1991 must have been a good year for certain dinner party guest, if Stacy's claim to being prone to stripping off and dancing on the table when she gets invited to them is to be believed. I don't remember attending any dinner parties like that myself, sadly, but then maybe they do things differently in the Peak District. I wonder if they still carry on like that up there...?

Despite her demure appearance, Stacy reckons she's prone to bouts of "sheer raucousness". "I have been known to strip off and dance on the table at dinner parties," she admitted. "But even when I behave really badly I still seem to get away with it - some guys just love naughty girls!" **M**

MAYFAIR

Vol.54 No.03

On Sale March 6th

Now then, something important was meant to be happening in March, wasn't it? Something of nationwide and, indeed, global importance, but do you know what, I can't for the life of me remember what it was! You'd think they might mention it on the news once in a while, just to jog our memories a bit! Still, I dare say it'll come to me by then. Meanwhile, there is something happening in March that I can remember - the publication of *Mayfair* 54.03! With the likes of Linsey Dawn Mckenzie and newbie Samantha, I think we all know whether it'll be, er, hard or soft!
